

**Faircliff Community Center Association was  
awarded a Capital Area Food Bank FY 21 Partner  
Capacity Grant!**

FCCA, a 501(c)3 non-profit, was awarded a \$9,643 CAFB Capacity Grant to use towards the purchase of food donations to benefit the residents of Faircliff Plaza East and West! CAFB has always gone above and beyond to meet the needs of the most vulnerable and the COVID-19 pandemic has been no different. In addition to the free produce donated weekly, CAFB developed this capacity grant to ensure partners have access to food items that are available for discounted purchase at their warehouse. They understand the pandemic has significantly impacted organizations as well, and so they worked to ensure partners can provide for their clients as they would normally, without budget concerns. This grant will give residents access to even more food items to include meat, dairy and perishable items in addition to quality produce. Thank you CAFB for continuing to be an all-star partner for District residents!
